

Dear Artist,

The Friends of the Castlemaine Art Museum (FOCAM) is pleased to announce that it is organising an Artist Studio Walk to take place during the Castlemaine State Festival from 21st to 29th March 2026.

FOCAM has adopted this initiative to continue to give local artists an opportunity to exhibit during a time of focus on the arts generated by the State Festival.

All artists' studios registered will be promoted.

The Artist Studio Walk will advertise and promote individual artist studios in the local paper and the Castlemaine Art Museum website. Those within 5km of the Castlemaine Market will be included in the Walking Map guide in the Midland Express. A map for those studios beyond 5km will be available on the CAM website.

The Midland Express 'pull out' supplement for the Artist Studio Walk will detail the location of your studio, an image of your work and a short description of your art specialty (100 words). The project will also be promoted on the Castlemaine Art Museum website.

The registration cost, \$295, covers public event insurance, administration costs, corflute signage for studios, (to be collected from CAM when prepared), promotion and 12 month memberships of both CAM and FOCAM. Membership of FOCAM carries a discounted price to its monthly events.

Registrations can be submitted online on the Castlemaine Art Museum website after the 19th December 2025. Submissions close on 14th January 2026.
